**Nicholas Nunley Joins G4 Environmental as Partner and Senior Forestry Consultant**

LOYALTON, CA, August 17, 2023 - G4 Environmental, LLC (G4), a leading Forestry Management Company, is excited to announce that Mr. Nicholas Nunley has become a Partner and will be the company's Senior Forestry Consultant.

Patrick Gayner, Chief Operations Officer, said, "We built a friendship with Nick over many years and thousands of acres of forestry projects; Nick and I have discussed working together on the same team for years, and the stars have finally aligned; Nick is one of the most talented people I know in the industry, and he brings tremendous knowledge and resources to our team; G4 is thrilled to have him on board as a Partner."

Mr. Nunley brings a wealth of experience and expertise in forestry field operations, construction, project management, and building and scaling forestry management companies. Since starting in the Forestry Construction field in 2004, Mr. Nunley has worked on various projects, primarily focusing on fast-track government forestry construction, US Forest Service - forest fuels reduction, and US Army Corps of Engineers environmental construction projects, working from challenging, high altitude mountainous terrain to lowland projects. Mr. Nunley is a seasoned Estimator, helping identify and establish pricing for proposals and projects. Mr. Nunley works directly with project owners and stakeholders, including landowners and agency representatives. His supervisory role allows him to work with municipal, state, and federal agencies in completing projects, ranging from building site work to power line and pipeline systems.

Mr. Nunley is certified in 40-hour OSHA training, Competent Person Trenching and Excavation, Power Safe, Veriforce, ISNetworld, U.S. Army Corps of Engineers Quality Construction Management Training Course, Confined Space Entry, Emergency First Aid/CPR, BLM standards for Survival.

G4 is a Woman Owned Small Business (WOSB) and California Licensed Timber Operator (LTO) # A012213 with offices in Loyalton, California, and Woodland Park, Colorado. G4 is an environmental contracting, consulting, and management firm focusing on sustainable restoration solutions for our Forests, Oceans, Air & Rivers (FOAR).
