## **G4 Environmental Consulting LTO for Northstar 2021 Fuels Reduction Project**

**Truckee, CA, JUL 30, 2021** -G4 Environmental, LLC (G4) completed its work as the consulting California Licensed Timber Operator (LTO) #A012213 to the Northstar 2021 Fuels Reduction Project.

The Northstar project was a 58-acre fuels reduction project within the Northstar ownership; the fuels reduction work was performed by mastication. The project was overseen by Registered Professional Forester (RPF) Danielle Bradfield of Feather River Forestry RPF#2808, the grantee was the National Forest Foundation, and Truckee Fire Protection District administered the contract. G4 was the consulting California Licensed Timber Operator (LTO) #A012213, and Paul Roen performed the mastication work.

The project's challenges included difficult access with a 5-mile machine walk in, steep slopes, rocky ground, and dense vegetation.
